“ *My favorite memory of Grandpa was camping at Thousand Trails. We were roasting hotdogs over the fire and a few of us couldn't keep them on the skewers. PLOP, right in the dirt! Being the avid camper that he was, Grandpa picked them up and washed them off with the watering can. Problem solved and tastier than ever! 🌭
Love you, Grandpa! 💙 -Olivia*

“ So very sorry to hear of Bill's passing. I was blessed to bring Bill and Lorraine communion in the year before Covid hit and I have fond memories of our visits and conversations. I really enjoyed Bill's stories of growing up and his funny quips, he was a true gentleman. Rest In Peace Bill and say hello to my Dad when you see him!

“ My favorite memories of grandpa was when he would walk in a room with just the girl grand kids and, jokingly he would say "hello boys" and we would all laugh. When it was just me, he always called me "beeeeeaatle boooooommmb" in a low voice and it always made me smile. Love you so much Grandpa! -Beatrice

“ I am so sorry to hear of Bill's passing - my sincerest condolences to Loraine and family. I am a 1st cousin to Bill. My parent's were Derwood & Colleen Bradley. Bill called me a couple of years ago after my mom passed away and we must have chatted for at least an hour. I really enjoyed hearing his stories and memories of my parents and Uncle Bill & Aunt Carrie, and the Bradley clan. My thoughts and prayers are with you all. With love, Nancy (Bradley) Brown & family

“ My favorite memory of grandpa was watching him play with their last dog Sasha. She would bite and nip at his fingers without remorse, but he didn't care. He was fearless! It was always nice to see him with a poochie, because I knew in that moment he was happy. Love and miss you grandpa!
