“ My brother Billy got his 1st drum set around 10 years of age from Santa. He would practice and practice everyday . As he got older he had gotten so good you could dance to his drum beat without any other musical instruments. He was currently saving up to buy another set of drums as he sold his last set. I can visually see and hear him playing right now. I will miss him at the family get togethers. Love you brother.

“ *My brother Billy was a great drummer. He got his 1st set of drums around 10 years of age. He would practice and practice. He got so good that you could dance to the beat without any other musical instruments. He was saving up to buy another complete set as he sold his years ago. Our family will miss the beat of the drums.*
