“ My condolences to the Brune Family. He was our dear volunteer in the CT Department for many years. Bill was the patient's advocate! Sometimes I believe he wanted us to scan 2 patients at the same time because he hated to see patients wait. He'd be proud of CT now since we made changes that significantly decrease the wiating time for our patients. Bill's favorite Tech was Gus who left last week to be with his daughter as she delivered his first grandchild. He will be saddened by Bill's death, but as a Christian, knows that he is now with our Lord.

*May the Lord bless and keep you in His tender love during this time.*

“ Sister Ronnie and Family - All though we've never met (yet -see you on Friday)) I believe I know the mixed emotions that come with the passing of a Dad. My Dad, John, died this past April and I've grown quite comfortable with the idea he's just around the corner, in the other room. May God bless all of you and hold you together.##imported-begin##Rick Witwer - for Rosanna (Ayotte) & John Witwer##imported-end##

“ Dearest Midge, John, Megan, Carrie and Paul,  
I hold all of you close in my thoughts and my prayers as you deal with the loss of your precious father and grandfather. I celebrate his "going home" to be with his beloved wife and mourn the huge hole left in all of your lives and hearts. May all who love you hold you up in prayer and may you find comfort and solace in that love. I know your great faith in our loving God will help you get through these days.

Love to all of you,

“ My thoughts and prayers are with you. God bless you all. As soon as I opened the website and clicked on Bill's name, his picture came up and a big smile came over me remembering him and Ann as they walked thru my doors at the Sanctuary. I loved them very much as they were such great caring friends.

With love
