“ Dear Lynda and family,
I 'm so sorry I could not be with you the family and our relatives at the funeral mass celebrating Bill's life this morning. I will always remember how he valued family, kept me informed with family news and his keen sense of humor. What great pictures he sent last spring of all the family.

My thoughts and prayers are with all of you.

“ It has been my good fortune in being able to call, Bill Forrester, a first cousin of mine. Bill, embodied all the positive virtues that we all admire: kindness, good humor, loyalty, tenacity and the genuine love of his family. We all have happy memories of Bill, and these we must hold dear to our hearts, and cherish them, as he cherished us.

“ I like how Uncle Bill would ask me questions. Then he would really listen to my answers and try to relate to what I was saying. He'd nod his head and smile and make me feel understood. I'll always remember that feeling.

“ When I think of Bill, I think of how kind he was and the smile he always had on his face. It is so sad to lose a guy like that. Our Father will be calling all of us to the peaceful place above and so we will meet again. We love our good friends Lynda and Bill.
