“ I was very sorry to hear of Bill's passing and I am sad to say we had lost touch many years ago. I still have many happy memories from my youth of time spent with my cousin Billy. Although he took great pleasure in picking on me, I loved him dearly, looked up to him and always though he was the greatest. My thoughts and prayers are with you all at this time of grief.

With sincere sympathy,

“ Janet – Please know that you are in our thoughts. Bill was a wonderful person and we are deeply saddened by the news, he will be missed greatly. I know that he had an effect and changed the thoughts of many people though his dog training. He left behind a wealth of knowledge and we will think of him with each command and each praise that is given to our dogs. I have posted a picture of our two students (Caesar and Hanna) posing with our new son, people say were crazy to have these dogs, we tell them its all in how there trained! I don't think Bill had the chance to see this picture but he would have been proud!

“ Dear Janet,
Our heartfelt sympathy to you and the friends that you and Bill shared, particularly the friendship and love you shared together. Though it has been some years, it seemed that you brought to him a strength and happiness to let him find his joy, the joy of helping animals and therefore, other people. Our family's thoughts and sorrow are with you now.
