“ Hi Shirley,

We had company tonite (09/21/07), Claude & Julie Yamin from Hamburg, Detroit and they mentioned that they saw the notice in the Newspaper about your Bill. We are so surprised and heartsick to hear of his death. We will always remember Bill for his quiet ways. What can we say except to offer our sympathy to you and yours and hope that in some small way that we are thinking of your at this time and remembering all the good times we have shared with you in years past. Remember the Cider Mill ride in the crowded car, the Anniversary Drink at the Chinise Restaurant with Pat and Bunny and of course your kind thoughts and deeds that you and Bill did for our 25th Anniversary, (Bill's mothers crocheted doilies, the little cake and of course the picture frame for pictures and your good wishes in the video that the girls made for us with your good wishes.

Remember the good times and let them keep you warm with thoughts in your heart. Please, give us a call and come out to visit us when you feel the need, we miss you. Phone 586-598-5158, we are both retired now. Love and Prayers for your loss,

“ I wish to extend my sympathies to the wife, daughters and grandchildren of William Pietkowski. It is at times such as this where you can be of tremendous help to one another to get through one of the saddest moments you will ever experience,##imported-begin##Carole White##imported-end##
