Tribute Wall

“ Dear friends,
I retired from Chrysler Corporation in 1979. I started to work for Bill the next working day. He welcomed me like a long lost friend. We had a friendship and went sailing on his boat one lazy Saturday afternoon. I will remember his kindness to me.

Deepest sympathy for your loss.

“ We remember the great times we had with our volleyball group. Bill was a great player, who was fun to be around and joke with. He had a great sense of humor, knowledgeable, a relax personality and enjoyable company. He will be missed. Our prayers are with Diana and the family. We are glad we were able to see him one last time at the anniversary party.

Love,
