“ *To Bill's family-
Everyone at Las Olas sends their heartfelt sympathies on the loss of your father. We hurt so much because his accident happened here.....
We all share very fond memories of your Dad - especially his zest for life, his wonderful stories, his great sense of humor and his positive attitude towards life. Nothing stopped him from enjoying life to the fullest and we are lucky to have had the honor to know him.

“ *and he was - he had many friends. I just want you to know how much I loved your Father. He was a very good Christian man that loved you and was very proud of all of you. He was kind and generous even to the Salvation Red Kettle bell ringer outside of Kroger's when he would buy them a coffee and donut and and them tell them to step inside to warm up and he would ring the bell. I have many wonderful memories of your Pops. For a person that was legally blind he could sure see a lot. God bless you and be with you. Love,

“ *Billy's family,
I regret not being able to attend the celebration of your Father's life and I was saddened when Pam called me today to tell me of your Father's death. I was sad because I won't be able to have the fun times with him and the laughter we shared. I won't be able to have the wonderful smoked salmon that he made - these are selfish things that I will miss. I know that you will all miss him terribly. He never complained about his health or any hardships that he was going through. He would always say, "I'm a very blessed fortunate man",* ##imported-begin## *Ilene Dussia* ##imported-end##

“ *I remember Bill as "Watch Your Car Keys" also from the Buck Room at Ford Engr. He always had a smile on his face and would gladly help with any electrical problem on any car. Have not seen him in some time. As I remember one or more of his kids attended Wayne High when my 3 oldest were there (Rob, Karn and Sandra...Julie was 5 yrs later.
I will miss him.* ##imported-begin## *Ed McMurray* ##imported-end##
