“ *My sympathy to the entire Yowan family. It was a pleasure to work with Bill as a fellow manager at the Van Dyke Plant. He was intelligent, knowledgeable, professional and always a gentleman. Being a member of that management team was some of the best years of my Ford career. May God bless you and give you the strength to get through your loss. You and Bill are in my prayers.*

“ So sad to hear of BILL'S passing. His influence on MY early career, helped Me gain the knowledge I needed to succeed as a young supervisor.

Also it was not his style to keep you in suspense as to what was on HIS mind.

MR. YOWAN WAS A GREAT BOSS, WHICH I HAD THE HONOR TO WORK WITH.

MAY GOD BLESS HIM AND HIS FAMILY.

I miss you so much. You meant so much to me and I cannot believe that you are gone. It all happened way too fast. I love you so much and thank you for introducing me to one of my passions, boating. It will not be the same without you. I love you, and I miss you.

Bill and Marie have always been a favorite of mine anytime we were together either at the NCYC or the bowling alley that we always enjoyed in the off season.

“ Dad - we miss you so much already. You were a strong Father figure to me when my own Father passed away. You taught me so many things over the years as our family spent weekends and vacations together. You loved the water so much and taught all of us how to navigate and find all the best islands to anchor and enjoy the weather. We will be thinking of you and Glenn this summer as we enjoy Lake St. Clair, cruising on the wave runners and boats - you right there with us. We are so sad you had to go but we rejoice that you are in the presence of our Lord and Savior Jesus Christ - rest in peace Dad.

“ Dear Dad - Words cannot describe the sadness I am feeling right now. I never thought I would see the man I have admired my entire life would be taken away from me before my very eyes. You have always been there for me and the memories of being your little girl will remain with me always. You have been the source of my strength and my motivation in life. And, while I know you are watching over me from Heaven, your spirit will be with me guiding my every steps. With love and admiration ~ Sandy

“ To my beloved husband Bill of 54 years, you have been the love of my life since the day that we met and our love has stood through the greatest of times. I was with you when you took your first steps into heaven and the angels were there to greet you. It broke my heart to let you go and part of me went with you. The time will come for us to be together again, until that time, I will love you forever. Your adoring wife, Marie

“ We extend our sympathies to Marie, Gary and Sandy and her family on the death of Bill, their loving husband, father and grandfather. We too loved Bill as our nephew. We knew him as a capable, loving, dependable and humble person. He was a doer and we followed his life from the early days on the farm, his marriage and the birth of his children and success in his business career. He will be missed. Uncle Bob and Aunt Stu
