“ *Each time they say your name
A tear forms in my eye
How can I be happy
If all I seem to do is cry?*

*you weren't supposed to leave me
This has to be a dream
I cant accept your absence
And take goodbye for what it means*

*You left me lost and broken
I still can't find my way
Months have passed real slowly
But it's harder every day.*

*I thought you were forever
You talked like you would stay
Every time I love someone
They get taken away*

*None of this should have happened
Your place is next to mine
I am not going to listen
The hurt won't ease in time*

*I will never forget you
Though we are far apart
I miss you so much uncle bill
And love you with all my heart*

*ps. i love you very very much i think about you everyday :

“ To my Baby Bill, I miss you so, so much. There is a special place in my heart that you will always live. I miss our lunch times together, our rides, our long talks on the porch, going to the park, taking you shopping, buying Colby cheese and Ham and other things you loved to eat, going to the Dr with you, Shellie, and Kathy, your laugh, your smile, kissing your head and spending time up North. I loved it when you spent days at our house, just hanging out. You are in heaven now and I am rejoicing that you are with Jesus. I love you Bill. “ Bill brought so much love to our family. My daughter loved him so much.They were married for 20 years. He loved go carting and scarey movies. I would go go carting with him butI don't like scarey movies. We went on some nice trips together but, he didn't like heights. He will truly be missed by all of us. He will be in our hearts forever.
