“ So sorry to hear of this sad news. Willy Ann will be very missed by her family and friends.
She and Tony never missed a family function that I ever new. I have to beleive she missed Tony so much that Jesus decided to give her her reward. Love, Your cousin, Pam

“ Being (age 59) and the youngest grand-son of a large, loving (Polish-Catholic) extended family, I met Willy Ann at her wedding to my Godfather Tony. She looked so stunningly beautiful. (Like a queen in her wedding dress)

She always appeared to me that way. Even at Belle River CA when we used to have the best family gatherings and then at the family reunions in the orchard, tossing soft boiled eggs to each other, Willy Ann always appeared so elegant. She was the apple of my cousin Tony's eye. I miss them and will cherish those memories forever.

“ I will always remember as a child how excited we always became when Mom and Dad told us we were going to Uncle Tony and Aunt Willy Ann's house. Their kindness made us always feel welcomed. We will miss you, Aunt Willy!

“ Well, Willy Ann, I guess you did not want to be seperated from Tony any longer. Now you will be able to speak again, as that is one of the things for which Tony prayed. Will miss you both! Love, Gary
