“ I knew Nancy and Bob from their days at New Hope Church, I will always remember them sitting in their spot in the back row. Each was a wonderful example of both Love and Class. They were just a wonderful couple and both are missed by our New Hope Family.

“ We have such beautiful memories of your Mom and Dad when Bob was with the Mt. Elliott Cemetery Association...his 2nd career. We will remember Nancy's most gracious and kind manner. She was truly a lovely person who never judged anyone and was kind to everyone and every animal. She loved so much and so many!! We will miss our dear, sweet friend greatly! “ (Aunt) Nancy was incredibly kind, generous, and thoughtful. Her support for her children Jim and Leslie was unwavering, she was devoted to her various pets over the years, and together she and Bob shared a life that was full of mutual love. There are lots of us who will always remember, over the course of several decades, travelling to Canton, then Pittsburgh, and then finally to the Detroit area for a visit and to experience her (and Bob's!) gracious hospitality. She was a strong positive force in the lives of many and will be greatly missed by all of those she touched, and the large number of people who called her friend.

Hard to believe she's no longer here. But she really and truly is unforgettable, and will live on as an inspiration to us all.

So truly grateful that she was a part of our lives.

*Sincerely
David Belton (nephew)*

“ I am so very sorry to hear of your beautiful mom's passing. She was such a lovely and kind person all the Coca-Cola years I knew her.

Hopefully you, as her family, will have closure and a sense of peace as her suffering on this earth is over. Best wishes to everyone in your time of sorrow. I will always remember her with fondness.
