“ Dear family, I am sorry about your loss and like to extend my deepest sympathy for your loved one Zofia Jodzis. Releasing and expressing grief is not always easy; especially, when you have to seem strong for other family members. Job and many others find that talking about your feelings to a “true companion” who will listen patiently and sympathetically can bring a measure of relief. (Proverbs 17:17) And if the listener is another bereaved person you may be able to glean some practical suggestions on how you can cope. Never keep things bottle in.
